Professional Summary

Passionate Web Developer with expertise in frontend and backend development, specializing in HTML, CSS, JavaScript, PHP, MySQL, C, C++, and AI technologies. Currently in the final year of my Bachelor's in Computer Applications (BCA) at Institute of Management Studies University Campus, Ghaziabad. I have successfully built and deployed multiple web applications. Strong understanding of user authentication, database management, API integration, and payment gateway setup. Eager to leverage my skills in full-stack development to create impactful and scalable solutions.
